Seller's Instructions

The seller is required to maintain proper records of exempt transactions and provide those records to the state when requested in the form in which it is maintained. These certificates may be provided in paper or electronic format.

The seller is not liable for any tax, interest, or penalty if the purchaser improperly claims an exemption or provides incorrect information on the certificate, provided all the following conditions are met:

1. The fully completed exemption certificate is provided to the seller at the time of sale or within 90 days subsequent to the date of sale;
2. The seller did not fraudulently fail to collect the tax due; and
3. The seller did not solicit customers to unlawfully claim an exemption.

Note: A seller may not accept a certificate of exemption for an entity-based exemption on a sale made at a location operated by the seller within the designated state if the state does not allow such an entity-based exemption.

Drop Shipper Instructions: The drop shipper may accept an ID number to claim the resale exemption as provided above in the Purchaser's Instructions. The ID number may include an ID number issued by another state. This may result in the same ID number being used for multiple states to claim the resale exemption (e.g., a retailer or marketplace seller may only be required to register for sales tax in one state).

Tenn. Code Ann. §§ 67-6-343 and 67-6-345 provide sales and use tax exemptions for the retail sale including lease of motor vehicles, off-highway motor vehicles, trailers, semi-trailers, pole trailers, boats, and other vessels that are subject to registration and titling or identification, and that are removed from Tennessee within three days of purchase for use in another state. This exemption does not apply to short term leases or rentals of such articles.

Motor Vehicles

- Motor vehicles, including off-highway motor vehicles, that qualify for the exemption include, but are not limited to, automobiles, trucks, recreational vehicles (RVs), motorcycles, dirt bikes, all-terrain vehicles (ATVs), sand and dune buggies, and snow mobiles.

Trailers

- Trailers that qualify for the exemption include any type of trailer used for commercial purposes including utility trailers, manufactured and mobile homes, camping and travel trailers, and boat trailers or other watercraft trailers purchased in conjunction with a boat or other watercraft that also may be purchased using the three-day removal exemption.
 - Trailers purchased by farmers, nursery operators, and timber harvesters to be used primarily for agricultural purposes or used on highways for hauling agricultural and livestock products or equipment do not qualify for the three-day removal exemption. Livestock trailers and trailers used for off-highway agricultural purposes (e.g., planting, growing, and harvesting), and effective July 1, 2019, trailers used in the operation or maintenance of a farm (e.g., to transport supplies and equipment between farms) and trailers used to transport farm and nursery products may be purchased tax exempt by qualified farmers that provide an Agricultural Sales and Use Tax Exemption Certificate.
 - Stand-alone purchases of boat trailers or other watercraft trailers and purchases of utility trailers for personal, noncommercial use are not required to be registered in Tennessee and, therefore, do not qualify for the three-day removal exemption.

Boats

- Boats and other vessels that qualify for the exemption include, but are not limited to, motor boats, sail boats, jet skis, and any other watercraft propelled by sail or machinery and used as a mode of transportation on water.
